# Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them or download and save them forever. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

**Chastity Lynn and Collie Pop have a bisexual teen three-way.** First they put on a lezzie show for the guy who walks in on them. Then they suck him off at the same time, his shaft flanked by both girls' tongues. Then they take turns riding him until he sprays both of their faces with jizz. The girls end the scene by sharing a cummy kiss.

**Chloe Couture takes off her clothes and fingers her bushy slit, eager to cum.** But there's one thing in the way. She has to pee. Chloe tinkles on the bed, leaving a puddle under her ass. She drives her finger back into her pussy, diddling her way to an orgasm.

**Kasey Cole is 18 and full of sass.** Her teacher disciplines her with a spanking and a deep dicking that results in a sloppy facial.

**Blaire Ivory is best in class.** Especially when it comes to her tits and ass. The principal rims her butt-hole and fucks her in the pile driver

position for a proper college send-off.

**Carolina Sweets looks innocent in her schoolgirl uniform.** But she has naughty desires just like the rest of us. She spreads her legs and pulls her panties aside, hoping that someone will peek up her skirt. Won't you oblige her?

**They don't call her Sally Squirt for nothing.** In this video, we get to watch her bathe, but the real shower begins once she starts to play with her pussy. Sally finger-bangs herself until she sprays girl juice all over her hand.

**We can see why Lily Jordan wants to show off her body.** This skinny teen has a nice pair of tits on the cusp of being a C-cup. She also has an outie pussy that glistens with her wetness. She gets naked, sticks a vibrator in her fuckhole and spreads her juices around her meaty folds.

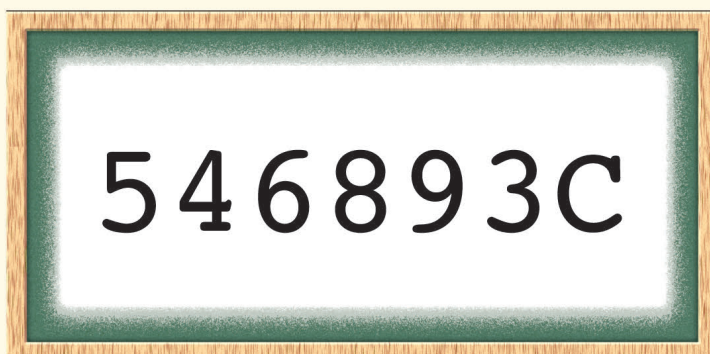

**Casada Chase is the original teen next door.** In this classic scene, she gets her neighbor hard with her perky, round tits and tight body. Her passionate blow job skills don't hurt either. Seeing her hot body writhe in all kinds of sex positions is a treat for your cock.

**Lexy Lotus has a fuzzy pussy and a big clit.** She fingers and toys her hairy twat until she cums hard.

**Haley Reed is an artist slut.** She strokes with her brushes and splatters paint on the canvas. So it's no surprise that Haley also likes to stroke cocks and get cum splattered on her face. That's exactly what she does with a super hung guy.

## Letter From the Editor

Dear readers,

The COVID-19 pandemic has tested the limits of society's strength. Businesses have closed down, lives have been disrupted and the way we interact socially has drastically changed. Despite this, *18eighteen* magazine is still here. After a brief publishing pause, we are back on track and appreciate your continued support through these trying times. We are working to continue to bring you quality adult content, while still taking careful measures to ensure the health of our employees and models. There is still a lot of uncertainty in the world, but we hope to remain a constant presence in the adult industry for as long as possible. Our thoughts are with everyone. Here's to coming out on the other side stronger and better. —Alexandra Quinones, *18eighteen* Editor

## Dipping into Digital

Dear *Virgin Territory*,

I was so relieved to finally get my hands on Vol. 23 No. 4 issue. Normally I just wait to get it at the

store, but when I saw it up on eboobstore I immediately bought the digital version. I didn't want to have to wait for the magazine to come in. I needed my *18eighteen* fix ASAP! And let me tell you, I needed to blow off that steam. I loved that you added more hardcore to this issue. My favorite girl was Avery. What a fox! Her fit, slender body is extremely arousing. She knew how to make love to the camera and that guy's cock. And being the naughty girl she is, she let him creampie her. That is personally my favorite way to cum—deep inside a tight pussy. That's exactly what I was thinking of as I enjoyed Avery's pictorial.

I also want to add that I enjoyed the digital issue more than I expected. I consider myself somewhat old school and prefer to stick to either print magazines or dedicated websites. But the mix of the two worked well with the digital magazine. I will definitely be open to more digital issues in the future, although I do like adding to my print collection. —J.C., via email

Who wouldn't want to creampie Avery's tight pussy?

Dear J.C.,

We're still here! And thanks for checking out the digital issue and sharing your experience with other readers.

## Our Girls Keep Him Cum-pany

Dear *Virgin Territory*,

Times have been tough with all this COVID-19 stuff going on. As a single guy, there's not much for me to do with the quarantine going on.

Eliza has some curves we'd like to navigate.

So I've been keeping myself preoccupied with old issues of *18eighteen*. They've really kept me sane while I've mostly been at home the past few months. I was worried that maybe you closed down, since that's happening to so many businesses. But then I got Vol. 23 No. 3 and figured you must've weathered the storm. I would be devastated if The

SCORE Group closed up shop. I've been a loyal reader for more than 10 years, and I don't know what I would do without my fix. Thankfully, you're still here.

On these lonely nights, girls like Melody Marks and Carmen Rae have kept me company. In the Vol. 23 No. 3 issue, Eliza really got my juices flowing. Where else can I see more of this babe? I wish she would have been in the centerfold layout of that issue. I probably would have spent a good hour on the centerfold photo alone if she was in it.

In any case, please keep hanging in there. I'm sure there are many readers like me out there who rely on you to keep us happy with the hottest teen babes in the world.—F.E., Bossier City, Louisiana

Dear F.E.,

We're glad our old issues were able to hold you over through the pandemic. As for Eliza, you can see a solo pictorial of her in *Naughty Neighbors* Vol. 26 No. 3, available for order on page 11.

## Flexi Teens Steal the Show

Dear *Virgin Territory*,

The Bendy and Boneable special

Somaya takes the phrase "face down, ass up" to a whole new level.

was one of your most enjoyable in a while. That's not saying that I don't enjoy the other specials, but this one was special. It was fun. I have a thing for seeing girls in flexible positions and to have sex with a super flexible girl is amazing. I love to see chicks doing splits. It makes me imagine fucking them like that.

Gigi's split was impressive. Lacey's ankles-behind-the-head facial made my balls tingle. Somaya's palms flat on the floor while getting fucked brought me close to the edge, and Heather's pretzel fuck sent me over it. I hope you guys will consider putting out another *Flexi Fucks*-type movie soon.—F.A., Westerville, Ohio

Dear F.A.,

Check out *Bend 'Em! Bone 'Em!* on [eboobstore.com](http://eboobstore.com) for girls getting fucked in flexible positions.

## Mabel's Syrup

Dear *Virgin Territory*,

Damn if Mabel isn't one juicy teen. She was my favorite girl of the Vol. 23 No. 1 issue, and the same was true for Vol. 23 No. 3. She's such a little tease with the way she pulls down her panties and bends over and flashes us her buttocks and slit. I would love to have her in that position and drag my cock up and down her tight, little slit, getting it wet by teasing her and working my way in nice and slow until I have a steady rhythm going.

Mabel goes on to show us more of her pussy, and all the photos look extremely enticing. I don't think any sex position would be boring with her, not with a hot box like that. It's so pink and so succulent. I'd love to stick my tongue in. Making a girl wet with my tongue and cock is one of my biggest fetishes, and you can bet I would be using everything I had to get her off until we were both soaked with her juices. Seeing her fingers in her pussy is even more of a tease. How I wish it was my cock in there instead of her fingers. It would be a dream to see first-hand the way she takes cock and her reaction when she cums. But these lovely photos of Mabel still get the job done.—E.B., Harrisonburg, Virginia

## Last Name Request

Dear Virgin Territory,

I have a request. Can you please include the last names of the models? I'm a newer reader so I'm not as familiar with all the girls. Sometimes a girl will be mentioned in the letter section, and I'm not sure who she is. Plus lots of girls have the same name so it can be confusing. I also subscribe to your website and you have the girls' last names mentioned there. If you would include their last names it would just make it easier for us readers to find the girls we like.—P., via email

Dear P.,

This is a good idea and we'll definitely take it into consideration.

## Red Hot

Dear Virgin Territory,

Amber from the Vol. 23 No. 3 issue instantly caught my eye. She's not the average girl you see in *18teen* mag. She's not skinny or blonde or brunette. Amber has some meat on

her bones. And while I do think your regular skinny girls are hot, I love seeing some curvy girls thrown in the mix. Eliza from that issue is also extremely sexy, but Amber took it over the top for me with the red hair. Also, I love it when a redhead has a

### Lovely Little Kim; Kim

Little Kim is on her bed in a white top, purple shorts and knee-high white socks. She is my perfect *18teen* dream girl. Seeing her looking at her phone, getting horny and touching herself between her legs, through her shorts, is an invigorating experience! She then gets fully into her discovery of masturbation by, at first, allowing her fingers to touch her little cunt under her panties, and then she gets far more adventurous, spreading her whole hairless pussy open wide. It would be my dream to be spying on her secret sexual discovery, only to reveal myself and swiftly penetrate her virgin vagina, pounding her and sharing her orgasm as I fill her pussy with hot cum.

### Boners for Braces; Liza Rowe

One of the best porn videos I have ever seen. The storyline and acting are so believable—easy to bring the fantasy. Liza is so young, fresh and beautiful. Well shot and well framed (except the lighting was a bit dark). So good. My only complaint is my same complaint with most porn. I don't want to see the guy jerk himself. I want the beautiful girl to get him off in whatever way—not by him jerking himself. I can't imagine doing that with a girl when she is right there. Not me. Not ever. What's a girl for?

red bush, and Amber's little patch of fiery pubic hair looks great on her. I enjoyed her perky tits and pale nipples. I would bend her over and give her a firm slap on the bum so that it would leave a red hand print on her buttocks. Amber seems like the kind of girl who would enjoy that, like she likes it a little bit rough.

I was pleasantly surprised to see her gaping a bit when I turned to page 33. What a hot and raunchy picture. It looks like her pussy either just got some action or is ready for it.

If Amber gave me the word, I'd be more than happy to give her some hard cock. Her creamy white skin would look so good with my jizz drizzled all over it. So would her face. Hope to see more of this red-headed hottie soon.—C.B., New Brunswick, New Jersey

## MOVIE PREVIEW

Slutty schoolgirls make the grade when it comes to sex.

# AFTER SCHOOL SLUT CLUB 8

ELIZA  
EVES

After school is reserved for extra curricular activities. For some girls, that means going to soccer practice or doing homework. For these girls, it means sucking and fucking cock. When Eliza gets home from school, she seduces her guy with her big tits and curves and takes his load on her face like a vale-dick-torian.

**LEDA  
LOTHARIA**

Leda's tutor is a good guy who wants to be respectful. That's not what Leda wants. She wants a guy who'll fuck her hard in every position. Eventually she gets her tutor to do just that. Leda's happy he's not such a nice guy after all.

Danni likes older guys like her neighbor. He gives her the kind of experienced dicking she craves: deep and hard, lots of positions, and with a giant load on her face at the end.

**DANNI  
RIVERS**

Daddy got Alicia a tutor thinking she was going to improve her grades, but what she really got was a lesson in fucking. Alicia takes every inch of his pole in her tight, pink pussy. His shaft stretches her slit. She sucks his cock upside down while suspended in the air. Daddy's money is going to good use.

**ALICIA  
WILLIAMS**

Mia is a shameless anal slut. She gets fucked in the ass, gapes wide and goes ass to mouth without hesitation. Mia's a student, but she should be an anal teacher.

**Jessae's Bonus Solo Scene!**

This guy teases Jessae for being a nerd, and it apparently works. She spreads her legs and lets him drill her deep. They may be tiny, but skinny girls can take a pounding from some of the biggest cocks we've seen. The fucking continues in doggie, cowgirl, reverse cowgirl and spooning.

## Schoolgirls these days will try anything.

Parents send their daughters to private school thinking they'll be with a better crowd and stay out of trouble. Little do they know that private school girls are the naughtiest. "My friends call me the corruptor. I'm always encouraging them to be sluts and giving them sex advice. Everyone thinks I'm innocent till I open my mouth."

## What turns you on, Jessae?

"I like just about everything when it comes to sex. In fact, I never tried anything I didn't like. I love to give blow jobs and have my butthole licked and fingered. I only did anal once, but I loved that, too! It was so different from anything I ever felt before, and when I put a vibrator on my clit I came like I was getting electrocuted."

### **Can you have multiple orgasms?**

"Yes. I can cum once in just about every position, but I'll have back-to-back orgasms in doggie-style. I like it when guys are a little bit rough and bite my neck and ears and pull my hair. Combine that with a cock deep in my pussy, pounding me from behind, and I just lose it. The most I've cum is four times, and I could barely walk after that."

After two miserable test performances, Emme knew she had to do something to avoid failing. Something very naughty. If she was going to get F'd one way, why not at least try for the other? The time to act was now. Could she do it, though? Could she really go...

Other

## By Joe Monks

Emme sat at her desk, staring at the red ink. 60? She was sure she'd done better than that, but now...now things were starting to get iffy. She shot a nasty look at Mr. Gavin, grinding her teeth. A 60. Her second F of the marking period.

She did some quick calculations. It was too late to drop the class; the first month of school had just ended. Plus, there weren't any other options. She thought she'd already fulfilled her graduation requirement by taking drama in Junior year. But that didn't count toward her English classes for some reason, and by the time she'd figured that out? Eighteenth and 19th Century Female Authors had looked okay on the elective sheet. But looking at her test paper? European playwrights were worse than she thought.

"Amanda Pace sucked him off, that's how she passed last year," Staci Mando had told her after Emme failed the first test. She'd heard the story before. Amanda was in her sister's grade and had just squeaked by getting her diploma. She also had great tits and an ass that had made Emme look twice on more than one occasion. Amanda was hot as fuck with a cheerleader bod and everybody talked about her. She was that type. Amanda liked dick and she didn't care who knew it. Her giving Mr. Gavin a hummer in exchange for a passing grade was the previous year's biggest gossip. Rumor had it, he'd blown such a massive wad in Amanda's mouth, that some of it shot out her nose. And still, somehow, she'd managed to finish him off without losing a drop.

It was a porn-quality blow job story, to be sure. Emme guessed the guys who doubted it most simply enjoyed hearing it told so they could jack off to it later. Mr. Gavin was strict. A true hard-ass. Hearing that one of the school's hottest babes had cocksucked her way to graduating was legendary.

Problem was, Emme had absolutely nothing in common with Amanda Pace. Amanda was a full C for sure, if not a D. She walked around without a bra, in t-shirts that made it look like the A/C was set low enough to create snowballs in the water fountain. Her nips were hard all the time!

Add to that, the miniskirts, the hip-hugger jeans that looked like the auto shop guys had spray-painted them onto that fabulous butt, and that mouth all the boys fantasized about getting into. Staci's attempt at giving her some hope only left her depressed. Emme was a training bra wannabe. She was so skinny, she'd need to borrow some ass just to wear hip huggers. Amanda was an electric blonde with hair down to her collar with a stylish cut, while Emme had long red locks she couldn't keep from looking stringy. That, of course, and the smile. Amanda had full, suck-slut model's lips, and Emme...Emme had braces. Eighteen years old, a high school senior and railroad tracks. Okay, they were transparent, but so what? Up close, you could see them clear as day. Mr. Gavin giving her the same chance he gave Amanda? Yeah, right. Not even with an acute case of blue balls.

Staci slipped her a note, making Emme's heart jump. Gavin was looking toward their side of the room, and she feared he'd spotted her. Gavin wasn't old, but he was old-school. If he caught you passing notes? He took them up front and read them out loud. If Staci had passed her one that said: *Why not give it a try? Just see if he wants you to suck his dick.*

That would not go well. Heart-hammering, her own nipples hard from thinking about Amanda's oral exploits and a mouthful of cock, on top of trying to imagine what it was like to chug that much jizz....

When he turned back to the board, she nearly gasped with relief. She didn't realize how tight she'd been pressing her thighs together. Relaxing, she became aware of a wet spot down there, right beneath her clit. Yikes.

The bell rang, startling her. Shifting in her seat, she could've sworn she heard a little squitch. Still holding her test paper, now crumpled at the bottom, she lingered. It wasn't the final period, but it was her last class of the day. Staci and the rest of her classmates hustled out. Eventually, it left only the two of them.

Gavin didn't even notice at first. He was wiping down the whiteboard when Emme cleared her throat. He seemed surprised to see her there.

"Yes, Miss Dennis. What can I help you with?"

For a split-second, she couldn't respond. A thought had flashed in her mind. Had Amanda cleared her throat after swallowing his cum? Quickly, she regrouped. Gavin's impatience was obvious.

"I, uh, was wondering, if maybe, I could, do some extra credit? To help with my grade?"

"Why? You haven't been able to pass the first two tests with advance

She became aware of a wet spot down there, right beneath her clit.

warning and plenty of time to prepare. Why should I alter your grade for doing other work on the side?"

Well, since he put it that way. Emme couldn't answer. He was right. Using extra credit to increase a test grade? The thought of it now felt ridiculous. She shrugged, accepting the verdict. What else could she do. She went back to her desk, breathing hard, worry setting in. She was going to fail! And, if she did? She'd have to go to summer school. She would lose the summer internship her dad had gotten her.

She sagged into her seat, folding up the miserable test sheet and stuffing it into her bag. Gavin's shadow fell across her.

"That's it? Come now, Emily. You can't give me one single reason why I should assign you extra credit?"

He crossed his arms, staring down at her dismissively. But she had nothing. She couldn't come up with anything that would justify changing her grade. She tried, but just stammered.

"Emily?"

"Ugh!" she exploded. "Don't call me that! It's Emme, okay?"

Gavin regarded her, interested. She could feel the heat in her face, her cheeks flushing, certain she was as red as her hair. It wasn't the only place she was feeling hot, though.

"Is there something wrong? I

mean, Emily...it's a beautiful name."

Was...was he getting hard? Emme couldn't be sure, as Gavin was wearing loose-fitting slacks. Buuuuuut, if she had to guess? She was betting on wood.

"Old fashioned," she conceded. It was her grandmother's name, and her great-grandmother's before that. She'd rebelled young, though, and everybody had been calling her Emme since she was seven.

"That's true," he conceded, nodding. "One of the writers we'll be studying later this semester was also named Emily."

"We'll see if I even make it that long," Emme grumbled, putting away her tablet.

"Little late to drop, isn't it? College applications go out in November."

Emme winced. She needed to get to Christmas. She needed the next two marking periods, that was it. If she got accepted to any of the schools she applied to? An F on her report card in June wouldn't matter. It'd be too late. Still, that left the next two grading periods. She looked up at Gavin with wide eyes.

"No? Not even one reason?" he sneered, beginning to turn away.

"I suck a mean dick. And I love to swallow cum."

"What?"

The words just tumbled out of her

mouth. Staci would've been proud. Prouder still when Emme put her hand on Gavin's crotch, confirming her suspicions. Oh, fuck yeah—that was a bulge, all right—a big one.

"There's no truth to that, you know," he said, arms still crossed, zipper down, and pants sliding toward the floor.

"Truth to what?" Emme challenged, voice oozing with tease. She wrangled his swollen member, balls dragging across her chin, planting a firm mouth hug on him.

The door had a tall, narrow rectangle window, and the shade wasn't pulled. Deciding there was nothing she could do about that, despite classes still going on, Emme concentrated on what she could control, starting with the next four inches of cock as she stroked her way toward Gavin's nuts.

"No," he said, turning her to the side. "Like this."

He put a hand on top of her head, guiding her down his spit-sloppy shaft. Encouraging her, he continued. "Good. Now, grab my balls. Yeah, that's the way. Play with them."

Getting ordered around while giving a guy head might've turned off some of her friends, but Emme was digging it, big time. She'd only had sex once, with a guy from school.

## Kylie: A Hard Day's Cum

**There's a wet reward waiting for Kylie at the end of the day.**

Kylie comes home exhausted after a hard day of school. Okay, maybe her day wasn't that hard. Definitely not as hard as every guy who sees her in class. Regardless of how much Kylie actually worked, she can still treat herself to an afternoon cum.

## Why aren't you doing homework, Kylie?

"When I get home from school, doing homework is the last thing on my mind. Being at school is already like work, and who wants to do more work when they get home? I have other things I want to be doing...myself! Masturbating in my bedroom after school is my 'me time.' It's the highlight of my day."

## What's your "me time" like?

"It's the best. I lie back and let my hands wander my body while my mind wanders to all kinds of dirty places. I think of all the guys at school I want to fuck—my classmates and my teachers! Then when I'm nice and wet I stick my fingers deep inside my pussy and imagine that I'm cumming all over a hard cock."

Sherice can't keep her hands out of her panties. Can't say we blame her. A girl comes to 18eighteen because she's horny, and Sherice is clearly in heat. Second to fucking, rubbing her pussy is the only way she stays sane.

**When her  
panties go  
down, the heat  
turns up.**

In the video for this scene, the wetness of Sherice's pussy is as audible as her moans. She alternates between rubbing her clit and fingering her slit, then takes it up a notch by rubbing and finger-fucking at the same time. Her pussy has a sexy contrast of purple lips and a bright-pink hole. Watch the video at [18teen.com](https://www.18teen.com).

**Do you play with yourself a lot?**

"Yes. Sometimes I fondle myself without even realizing it. It can happen while I'm doing homework, watching TV or even while I'm driving in the car. I'll be distracted and then realize my hand is on my pussy. It doesn't always lead to me climaxing. I just like to play with my pussy. I do it absent-mindedly, so I have to be careful it doesn't happen in public!"

Scarlett is a petite blonde with a tight, athletic body, and it's easy to see why her boyfriend is eager to fuck her. In the video for this scene, he eats her pussy and ass from behind. She deep throats him in 69. He fucks her face. Watch the XXX action at [18teen.com](https://www.18teen.com).

### **She loves to suck cock.**

Scarlett blows her guy with passion. Goopy strands of saliva hang from her lips as he withdraws his cock from her mouth. He sticks his cock back in and makes her cheek bulge with the tip of his dick. She opens wide for a sideways blowie where he thrusts his cock horizontally across her mouth. "I love to please my man," she said.

### **Slutty Scarlett is a lively lay.**

The fucking in this scene is just as enthusiastic as the blow job. Scarlett takes a pounding in every position like a champ. The hottest part is when Scarlett has a hot, writhing orgasm. The second hottest is when this guy has his orgasm and cums all over her face and mouth.

Chloe is home alone for the first time...and she just happens to be with her boyfriend. What should she do with all that freedom? What any 18-year-old would do: suck and fuck! Her boyfriend undresses her, revealing her perky tits and taut tummy. He goes down on her, licking her clit and fingering her pussy.

## Chloe's done her homework.

Chloe is a nerd, which means she studies a lot, especially when it comes to blow jobs and sex. That's why she's got a few tricks up her sleeve when it comes to sucking off her guy. She takes his big, thick prick in her mouth and lets it fill her throat till she needs to gasp for breath. Check out her technique in *Fuckin' Nerds 3*, available for order on page 99.

## **Chloe takes full advantage of the empty house**

In the video, Chloe leaves a trail of teen cream around his shaft as soon as they start fucking. What would her parents say if they knew she was getting fucked hard and facialized on their bed? Chloe doesn't care. She just wants to cum!

They'd known each other since sophomore year and finally hooked up at Megan Dietz's barbecue. It hadn't been the cherry-popping she'd dreamed about, though. Craig was nice, but he really didn't know what he was doing, and even though she was hot for a chance to get laid, there hadn't been any wow factor. Craig shot quickly, nearly pulled out too late and gushed all over her hip and belly. He couldn't even last long enough to get it back in her mouth. Worse, she'd

been the one who had to take charge.

Mr. Gavin, though. Now this was more like it.

He thrust, the tip of his prick forcing her head back. The desk wasn't the most comfortable place she could think of to suck a guy off, but the way he drove into her mouth was getting her absolutely drenched. He didn't want to get blown—he wanted to fuck her mouth!

Emme was cool with that. He probed the inside of her cheek, grabbing a fistful of hair to straighten her back out. That did it. Emme slid her left hand downstairs and began fingering herself, hard.

Drool trickled from the corner of her mouth. She looked up, eyes bug-ging out. Gavin chuckled and yanked her hair.

Continued from page 62

It wasn't too hard, but the spasm it caused opened the floodgates. Her twat went crazy, registering like there'd just been an earthquake. She gasped, fumbling to hang onto his dick, throwing her head back and stifling an orgasm squeal that would've sounded like it came from the orchestra room.

He stuffed his swollen bone back in her mouth, leaving her struggling for breath as she urged him to shoot. Emme was in no rush, but...the longer she took to get him off, the more chance there was of getting caught. She couldn't afford to get in trouble on top of the two failed tests. How did they punish you for giv-

ing a teacher head? Two-hundred days of detention? Suspend her?

Gavin, it turned out, was thinking about a different kind of suspension. She'd seen him sneaking a peek down at her finger-fucking herself and was hauling her not just out of the seat, but into the air. He bent her over the desk, a THWACK! coming from the swat he delivered to her backside.

"Ah, Miss Dennis, limber, I see," he commented, before parting her legs, exposing her pink-along with the drip trails running down her thighs, and gave her hair another tug.

"A-are you going to put your dick..."

He didn't bother to reply, choosing instead to answer her with a snatchful of cock, his sac slapping her lips. Emme whimpered, clung to the desk and prepared for a righteous plowing.

It wasn't that Gavin was so much bigger than Craig. Craig wasn't bad in the dick department. He'd been more than enough for her virgin twat. Gavin had him beat in girth, but what really set the two apart was that Gavin knew what to do with it.

He lay his weight across her, reaching over her to grab hold of the desk. Slam! Now, though, the desk wasn't shifting every time he drove his pole into her, cutting down drastically on the noise.

Emme struggled to crawl out of her shirt, dropping it onto the floor beside her bag. In between furious downstrokes, she kicked out of her shoes, Gavin helping free her of her soaked undies. She gave her ass a little shake, pretending she was Amanda. Sure enough, the response came...a split-second before she did.

Thwack!

Emme shook, the desk jittering from side to side. Gavin slapped her other cheek, and she dropped her head, choking for breath.

On the verge of a third cum, Gavin withdrew, making Emme think he was ready to finish. Hardly. He lay her on her side, put one leg up over his shoulder and penetrated her again, the angle causing him to hit places in her pussy that made her want to cry out. In this position, though, she had a hand free, and made the most of it. She grabbed hold of his nuts the next time he rammed his length into her, wrapping them up and tightening her grip.

Gavin smiled. It was the first one she'd ever seen. Followed by a hair tug and nipple squeeze. She bit her lip, inhaling. The squeeze's pressure increased. Her head swam.

"Ungh! Make me cum again!" she begged, pleading for another climax. Her head was hanging off the desk, making her almost as dizzy as the sex.

Gavin apparently intended to, hammering into her, plunging his entire shaft into the deepest recesses of her box. She tried to keep from moaning, but the closer she got, the more on the edge she was. Gavin must've sensed it, because just as she was about to cry out, thwack!

Love nectar drizzled out of her slit, the gasp she let out was small enough to keep the room almost silent. She lifted her head to look at him.

"Something wrong, Miss Dennis?"

### **Destiny knows where she's appreciated.**

And that's right here at *18eighteen*. Destiny was getting ready to meet up with her boyfriend when he called and cancelled his plans with her. What a fuckin' idiot. That let down wasn't going to stop her from getting off, though. She gets naked and plays with her pussy for us because she knows we'd never leave her high and dry like her loser boyfriend.

## What are you like in bed?

"I'm a giver all the way. I even like to lick my man's ass when I'm giving him a blow job. I'm passive in the sense that I will do whatever it takes to please him. I love taking orders. I especially love to swallow cum and make sure to beg for it as he's getting ready to shoot and tell him how good it tastes."

Continued from page 70

he asked, resuming his furious tunnel-pumping, her heel now pinned behind his ear.

"Yeah," she managed. "I do have two ass cheeks, you know!"

She swatted her ignored butt cheek, unable to generate the same sound due to the mixture of sweat, pussy juice and pre-cum covering her palm. Geez—it looked like his balls were tight enough to rupture!

"Consider the matter addressed," he said, folding her almost like pretzel dough and changing positions. She bent her arm so she could support herself on her elbow, now planted squarely where her ass had been.

Now, her left leg was pressed against his chest, her instep just beneath his chin, her toes crimped as she tried to ride out another wave of ecstasy. The back of her head pushing into her seatback, she banged her fist into the supports, perspiration coating what she hoped might someday become boobs.

The mild spanking slowed, but only so Gavin could play naked Twister with her some more. The backs of her thighs were now supporting him as he leaned forward, driving his dick into her like the machine that did that spinny-thing in wood shop. He grabbed hold of her ankles, pushing them over her head. Then, farther back. And then, even farther. And then...

Gavin started hitting spots Emme didn't even know she had. Sure, she masturbated at home. But she didn't have anything she'd ever gotten off with that could do this to her.

Her turn, she thought. She reached up, grabbed hold of Gavin's hair behind both ears, and urged him on, pulling him down so far that his forehead touched hers. Emme pictured herself, folded like a dollar bill, as Gavin rolled forward.

It was crazy. Gavin was still fucking her, just with a little less leverage. But his feet were completely off the floor as he let the entirety of his weight rest on her. His knees against her ass. His thighs against the backs of hers. His chest rubbing against her tiny boobs. His breath hot on her cheek.

"You do know the Emily we'll be

studying this Winter, don't you?" he asked, his breathing getting ragged now, too. Emme was barely keeping it together, counting down to orgasm... four? Five? The one that would knock her unconscious?

She shook her head. It saved her the breath a reply would've cost. Gavin raised an eyebrow.

"Why...Dick-inson," he shared, the desk beginning to wobble.

Emme thought they might go over, Gavin was really going at it now, the wet noise of their sex filling the room. He dug his fingers into her ass, drawing a long catlike hiss out of her.

"My pussy is going to pass out!" she moaned, hardly able to keep her voice down. Her eyes shot to the door—and then to the clock.

Seven minutes.

"So, have you learned anything?" Gavin inquired, face tight, clearly getting close. Emme shut her eyes, biting her bottom lip, hoping to hold him off a bit more. She could pull her bottoms on in less than a minute, couldn't she? Stuffing her cotton bloomers in her bag wasn't out of the question, either. But she still needed an answer. She needed to give him a response that

would count.

"I learned that the story about you and Amanda isn't true," she eked out between gasps. "And I found out that we'll be studying Emily Dick-inson later this year, so, I'll be ready. Oh, and..."

"Come now," Gavin said, glancing at the clock. "Aaaaand?"

"I learned, with the right guy," she grunted. "Emily's a, a pretty nice name after all. Y-you were s-saying... cum now?"

She threw her arms around his neck, pulling his mouth to hers. Gavin kissed her deeply, just enough to get the final few strokes in. Emme screamed into his mouth, holding nothing back, allowing him to muffle her cries. Again, she

The mild spanking slowed, but only so Gavin could play naked Twister with her some more.

thought they might tumble over, but before emptying his balls, he relaxed, pushing off the desk and allowing Emme to catch her breath. As it turned out, she needed to, badly.

Gavin grabbed hold of the back of her head, guided her to her knees and continued on. Emme knew he was right on the cusp of ejaculating; she remembered the feeling well from her first-and-only fuck with Craig.

"Don't make me wait," she teased, short-stroking his base while wrapping her lips tight around his tip. "I've got to meet Staci so we can walk home together."

Gavin let loose, his hands cradling the back of her head, his dickhole near the back of her throat. She was sucking him as fast as she could, but even then, she was worried it wasn't a good enough effort. Hadn't Amanda Pace said she'd...

Gavin erupted, the torrent of jism flowing into her mouth with force. She gagged, then buckled down and gulped. And gulped and gulped and gulped. Whether or not Amanda's tale was true, Gavin could absolutely gush! Emme, however, was focused on the job in hand—and mouth. She worked Gavin double-fisted, barely keeping up. His back arched, and he WHOOFED out a sigh as he expelled his last spurts, raining a shower of cum down her throat.

But not her nose. Score one for the nerdy girl!

**★A★A★A★A★A★A★A★A★A**

Emme walked into the kitchen, plopping her bag down on the chair and taking off her winter jacket. Her mom was intrigued by the smile on her face.

"Someone looks like she has good news!" her mom said gleefully. "So?"

"Got my report card," Emme shouted. "Straight As!"

Her mom embraced her.

"Well now, isn't that something! And there you were, having so much trouble with that Authors class!"

Emme shrugged, taking the juice out of the fridge.

"Guess it pays off to get tutored twice a week, huh?"

"I'll say! Well, here," her mom cheered, holding up her water bottle. "Drink up!"

Emme tapped her juice glass to the plastic. If her mom only knew.

### **Anna is the teen butt sex queen.**

Anna loves anal. In the video for this scene, this guy has his tongue on her back-door pucker in under two minutes, and she's in heaven. He slides a finger in her ass to give us a preview of what's to cum. Dirty little slut that she is, Anna sucks his finger after it's been in her butt, which is yet another preview of what's to cum. You can watch the hardcore video online at [18eighteen.com](http://18eighteen.com).

### **Pussy comes first, then ass.**

These two don't waste any time. The guy starts working a toy into Anna's asshole to prepare it for his cock. It slides in easily and Anna moans. Her ass is prepped for penetration, but her pussy could use some love too, so Anna spreads her legs and her twat. A few minutes of good ol' fashioned pussy penetration and she's eager to move onto anal.

**Anna doesn't  
balk at going  
ass to mouth.**

Anna takes it in the ass and gapes when her guy pulls his cock out. Her hole is deep and tight; she can take his full length, and we see how tightly her ass grips his dick as he thrusts. Anna is such a dirty slut she even takes his dick from ass to pussy and ass to mouth. We weren't kidding when we said Anna loves anal.
